WOULDN'T IT BE COOL IF YOUR CAR SAID EXACTLY WHAT YOU FELT?

Today, things are different. Small is big, smart is sexy and living richly isn’t about how much you spend. What car is perfectly suited for your fresh point of view? The 2016 Sunny; with its spacious interior, advanced technology, and performance that’s as responsible as it is responsive. Change is good – especially when it looks like this.

Features and specifications are subject to change depending on market requirements. Please consult your local dealer.

الإمساك وعادةً لو عبرت سيارتك عن مشاعرك؟

الأمور في عالمنا يوماً مختلفاً بعض الشيء. فإذا بالصغير كبير والمرونة جذابة ومبتكر الرغب، فينحسر حول الأمور التي تتفوقها. أما المرونة في حالة لذا الهدف الجديد في الحياة. فهي سنو 2016 برفقها الداخلية، وتميزها للتطور، وإليها التي يعبر عنها الإجابة. المسؤولية على حد سواء يمكننا أن نقول أن الغير أمر جيد. لا يمكن أن تعب طاقة هذه.
FREEDOM IS A FEELING
YOU CAN TAKE WITH YOU ANYWHERE.
A little bit of planning goes a long way. When designing Sunny’s interior, we pushed the wheels to the corners, allowing the suspension to move out and away from the cabin. The result? Plenty of leg room. Carpool or road trip, looks like Sunny is a star.
Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
NISSANCONNECT™
INNOVATION THAT KEEPS YOUR WORLD WITHIN REACH.

NISSANCONNECT™ is a smart technology that keeps your world within reach. And with NISSANCONNECT™ Apps, your Sunny becomes your smartphone’s best friend. Music, information and the apps that keep you connected to your world all work seamlessly together through Sunny’s audio system. And it keeps getting better: the app alerts you with updates to the latest version and the basic app package is free for the first three years.

NISSANCONNECT™ Apps: Imagine the choices you have for the music you love. And it couldn’t be easier – download the app, and depending on your type of smartphone, you can stream the music wirelessly via Bluetooth®.

Everything that matters at your fingertips. Sunny lets you safely keep track of Facebook® so you are wired to your world with the NISSANCONNECT™ Apps.
Life is easier when you can bring everything you need. Sunny’s oversized trunk means there’s no need to compromise. Jam session after work? No problem. Load your kit in and help keep it safe and out of sight. Inside, Sunnytile storage options get things organized with places for all of your essentials – even those lucky drumsticks.

Clever Storage. Keep the things you need close at hand yet out of sight with Sunny’s spacious glove compartment. There are also convenient places designed especially for your phone and MP3 player.

490 Litres
OF TRUNK SPACE

Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution.
Just one look and you'll know it's not the Sunny you think you know. Take the time and enjoy every thoughtful detail. We know what you're thinking. The Sunny was indeed worth the wait.

Premium Exterior Styling. Admit it – before you even step inside, the design captures you. Precisely crafted lines are the result of a thrilling evolution. The sharper taillights energise Sunny's overall posture. And a chrome accented grille and door handles elevate its looks.

Aerodynamics. Sunny's fresh design is not only pleasing to the eye, it's slippery to the air. That means improved performance and a quieter ride for you.

Fog Lamps. Bumper-integrated lamps provide extra illumination under foggy conditions.

Rear Spoiler. A rear spoiler enhances aerodynamic rear downforce and creates a sportier look for your Sunny. It comes downforce and creates a sportier look for your Sunny. It comes to life at over 40 km/h.

Alloy Wheels. Wide 175/60R15 tyres with aluminium alloy wheels help to increase road grip and enrich Sunny's already dynamic performance, while a quieter ride for you.

Rear Parking Sensor. Thanks to this ultrasonic technology, parking is easier.

Side Turn Signals on Door Mirrors. Stylishly designed side turn signals make parking safer.

Premium Interior Styling. The stylish interior is as pleasing to the eye as the exterior. The dashboard panels, the armrests and the cup holders are all finished with chrome, while the ignition key is integrated into the steering wheel.

Rear Armrest & Cup Holder. Rear passengers get their own armrests and cup holders.

Premium Exterior Styling. The stylish front bumper integrates fog lamps to light your way during misty conditions. The sleek side turn signals catch the eye, while the headlamps beam with a powerful sight. The gear lever is embedded in the centre console for easy access.

Premium Interior Styling. The instrument panel is designed to give you maximum comfort. The steering wheel is designed with a flat-bottomed design to ensure that you can enjoy driving your Sunny to the fullest.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

WHAT MATTERS THE MOST: YOUR SAFETY.

Our main focus is to design road technologies to help you avoid accidents in the first place.

Dual Front Airbag SRS. In case of an accident, dual airbags help avoid or reduce the risk of injury resulting from the impact.*

Anti-lock Braking System (ABS). Sunny’s standard advanced ABS gives you confidence with secure braking.

Brake Assist. An advanced system that reads how quickly the brakes are engaged. It immediately applies maximum available power for optimum braking.

Electronic Brakeforce Distribution (EBD). Shortens braking distance by adjusting brake proportioning to compensate for added weight from passengers or cargo.

We recommend you review your local driving laws.*

* Please make sure to use seat belts at all times.

الابتكار يهدف إلى حمايتك.

ما هو الأهم؟ بالتأكيد سلامتك.

يركز جل اهتمامنا في نيسان على ابتكار تقنيات سلامة تساعدك على تجنب الحوادث.

وسائد هواء مزدوجة في الأمام SRS. في حال وقوع حادث، تساعد الوسائد الهوائية على منع أو تقليل الإصابات المحتملة.*

نظام المكابح المانعة للانغلاق. بالنظام الصادق، تمنحك صني ثقة عالية في التوقف.

تقنية تعزيز الفرملة. نظام ذكي يقرأ سرعة استخدام المكابح، ليقوم بتطبيق أكبر قوة ممكنة عليها بأسلوب يضمن أداءها الأمثل.

نظام التوزيع الإلكتروني لقوة الفرملة EBD. يعمل على تقصير مسافة التوقف من خلال توزيع قوة الفرملة بشكل متساوٍ وفقاً لوزن الركاب والأمتعة.

* قد تتطرأ تعديلات على الميزات متبوعة بمتطلبات السوق. الرجاء استشارة وكيلك المحلي.

Seeking a symbiosis of people, vehicles and nature. Nissan’s environmental philosophy can be described as a symbiosis of people, vehicles and nature. It is our ideal for a sustainable mobile society now, and our goal for the future. We launched the Nissan Green Program with specific objectives to reduce our impact on the environment at every stage of the vehicle life cycle and corporate activities.
