عزيزي العميل:

من أجل تحقيق رضا العملاء، أسسنا مركز اتصال العملاء، يوفر شكواك الرأي والمساهمات العميقة. الرجاء اتباع ما يلي:

خطوة 1: اتصل بموزع نيسان المحلي الذي سيتعامل مع شكواك.

خطوة 2: إذا لم يستطيع الموزع المحلي الرد على شكواك، يمكنك التواصل مع مركز نيسان الإقليمي لخدمة اتصال العملاء.

화소: +971 4 600 54 6666, البريد الإلكتروني: customercare@nissan-me.ae

فقط: إذا لم تتمكن من التوصل إلى الموزع، يمكنك التواصل مع مركز NISSAN الإقليمي لخدمة اتصال العملاء.

Regional Customer Communication Centre

Dear Customer,

To ensure customer satisfaction, we have set up a Customer Communication Centre to address your complaints. Please follow these steps:

Step 1: Contact your local Nissan distributor, which will handle your complaints.

Step 2: If your local Nissan distributor is unable to address your complaints, please contact the Nissan Regional Customer Communication Centre.

Tel: +9714 600 54 6666, E-mail: customercare@nissan-me.ae
The World-class Adventurer

With its impressive styling and richly appointed interior, the Nissan Patrol will transcend your expectations of a 4WD vehicle. Its formidable all-terrain prowess is underscored by superior engineering, letting you escape the ordinary and explore new possibilities.

You may choose between the Station Wagon or the 2-door Hardtop.

Both models feature 4.8L engines and are available in Automatic or Manual transmission.

Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
The Nissan Patrol Hardtop featuring a 4.8L engine

Behold the ultimate off-road performance monster. Its torque-rich 4.8L engine tracks your speed on the road to discovery. Experience a drive that evokes a real sense of freedom. Whether you choose the Automatic or Manual transmission, the Patrol Hardtop is here to elevate you higher than ever before.

Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
Designed Around You

Inspire confidence every time you get behind the wheel. For the first time, you can opt for the Patrol Hardtop with Automatic transmission. Meanwhile, the interior keeps everything within your reach. Enjoy the rush.
The Nissan Patrol Station Wagon

Enjoy a world-class driving experience in the spacious Station Wagon. Nissan Patrol’s 4.8L engine offers unrivaled off-road capability and on-road handling. So whether you are cruising on the highway, conquering desert dunes or manoeuvring through traffic at rush hour, you can do so with comfort and ease. Let the journey begin.
Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
قد تطرأ تعديلات على المواصفات والميزات تبعاً لمتطلبات السوق. الرجاء استشارة وكيلك المحلي.

Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
The Eye of the Storm

Stretch out and relax — in every way possible. The Nissan Patrol offers more than just room to extend your arms and legs; it encourages the soul to explore new levels of satisfaction.

The Majestic Performer

The forces of innovation are readily apparent with the Nissan Patrol. Its stability at high speeds instills confidence. Best of all, open the throttle and discover the heart-racing surge of class-leading power.

Delivering more power and torque, the potent TB48DE 4800 is equipped with VTC and NICS to provide the Patrol with exceptional off-road performance and impressive top speed on the highway.

Valve Timing Control (VTC) increases engine power and torque.

The Nissan Induction Control System (NICS) enhances intake efficiency at all engine speeds to improve torque limits.

Valve Timing Control (VTC)

NICS

Valve Timing Control (VTC) increases engine power and torque.

The Nissan Induction Control System (NICS) enhances intake efficiency at all engine speeds to improve torque limits.
The Legend Lives On — Go ahead, take the road less travelled — just make sure you go with Nissan Patrol. As one of the world's most rugged all-terrain vehicles, the Patrol is your passport to new discoveries and broader horizons.

- **5-speed Automatic transmission with manual mode** provides sporty performance in all driving situations.
- **Heavy-duty coil spring suspension**, incorporating telescopic shock absorbers and a torsion bar, provides confidence in the car's handling.
- **Electronically-controlled power steering** ensures effortless control at low speeds and firm handling at high speeds.
- **Straight-line drive transfer** allows shifting from 2WD to 4WD with one touch of the lever; shifting from 2H to 4H is also possible, even in motion (up to 40km/h).
- **Rear differential lock** allows you to escape from mud or sand easily by distributing torque evenly to the rear wheels.
- **Top-of-the-class wheel stroke** makes easy work of rough roads and unexpected obstacles.
- **Superior off-road performance is assured by the higher angle of stability, improved gradability, and the larger approach, departure, and ramp-clearance angles.**
- **Wide, 275/65R17 radial tyres and attractive alloy wheels give Patrol a formidable appearance.**

Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
AMENITIES & ATTRACTIVE FEATURES

Audio system
2DIN MW/FM, 1CD, AUX and MP3 player. The optional 4-speaker audio system — with in-dash 6-disc CD autochanger, rear subwoofer, and controls mounted on the steering wheel — makes any drive more pleasant. (Opt: SAFARI, SGL)

Double visors
Double visors for both the driver and front passenger (with vanity mirror and light) provide protection from front and side glares at the same time. (Std: SAFARI, SGL)

Spare tyre cover
The boldly designed spare tyre cover heightens the Patrol’s distinctive appearance. (Opt: SAFARI, SGL)

Sub-fuel tank
The sub-fuel increases driving range and is easily activated by a switch located on the instrument panel. The meter displays fuel levels and a self-diagnostic system assures the safe transfer of fuel.

Features and specifications are subject to change depending on market requirements. Please consult your local dealer.
SAFETY

REAL WORLD SAFETY

سلامة الواقعية

مطورون نظام تسريع تعزيز مفهوم "سلامة الواقعية" التي سيمكّنها من إنشاء نظام ضبط النقل المتكامل "التحكم" للسائق للتحكم في الأوضاع المتغيرةيطقنت وتقيد فولطات من العوامل متعددة.

Using detailed analyses of actual accidents, our engineers focus on enhancing the "Real World Safety" of Nissan cars.

INFORMATION SAFETY

سلامة المعلومات

مصابيح زينون أمامية

توفر مصابيح الزينون الأمامية ذات الفعالية العالية إضاءة قوية في ظروف الإضاءة المنخفضة.

Halogen headlights

Highly effective halogen headlights provide ample illumination in all low-light situations.

CONTROL SAFETY

سلامة التحكم

ABS

نظام المكابح المانعة للانغلاق

يساعد نظام المكابح المانعة للانغلاق على منع العجلات من الانغلاق عند الفرملة المفاجئة لتعزيز التحكم بالمركبة في الظروف والأحوال الخطرة واتخاذ القرارات المناسبة لتفاديها.

Anti-lock Braking System (ABS)

By electronically regulating brake fluid pressure on each wheel, ABS prevents wheel-lockup during sudden braking to enhance vehicle control in potentially hazardous situations.

IMPACT SAFETY

سلامة وقع التصادم

Dual front airbag SRS*

Dual front airbag SRS inflates instantaneously to protect both driver and front passenger in the event of a collision. Used in conjunction with the 3-point seatbelts, they help reduce the risk of injury in certain types of frontal impact.

Zone Body

Nissan’s exclusive Zone Body design significantly increases safety by incorporating crushable zones that reduce shock by absorbing impact energy, and a reinforced cabin structure that safeguards vehicle passengers. Door beams provide further protection by reducing the force of side impacts.

INFORMATION SAFETY

سلامة المعلومات

تزويد السائق بالمعلومات التي تساعده على استباق سلامة المعلومات

سماح للسائق للتعامل مع الأخطار كسائلة عن طريق اتخاذ القرارات المناسبة لتفاديها.

"Information Safety" helps the driver to better anticipate potentially hazardous situations and make accurate decisions to avert them. "Control Safety" allows the driver to avoid dangerous situations by enhancing vehicle control.

"Impact Safety" reduces the risk of injury from the initial impact and the risk of secondary or aggravated injury in the event of an accident.

REAL WORLD SAFETY

سلامة الواقعية

نظام التقييد الإضافي (SRS) الخاص بالسائق والراكب الأمامي في حالات التصادم، كالارتطام بجدار اسمنتي سميك بسرعة تقريبية تزيد عن 25كم/ساعة.

* Driver and passenger front airbag Supplemental Restraint Systems (SRS) deploy in situations such as a head-on impact with a thick concrete wall at a speed of more than 25km/h. These devices do not deploy in side impacts, when the vehicle is struck from the rear, rolls over or overturns, or in an impact after the airbag SRS has deployed once.
