Nissan Philippines, Inc., ("Nissan", "NPI"), brings the GT Academy to the Philippines, a first-of-its-kind competition that pits the best Gran Turismo players ("the Players") in the country in a race for the ultimate dream—to become a real-life racing driver for Nissan.

### **WHAT IS THE CONTEST?**

Nissan GT Academy takes six (6) skilled Gran Turismo Players and gives them a chance to become professional racers in five stages.

#### **First Gear: The Recruitment (June 30-August 21, 2016)**

Thousands of gamers will be narrowed down to the top 20 Players who achieve the best time during the LIVE EVENTS. The top 20 players will be invited to compete in the National Finals.

#### **Second Gear: National Finals (September 20-26, 2016)**

The top 20 Players from the Live Events, will be trimmed down to the top 6 Filipino Players based on their performance during challenges and tests. The top 6 players who qualify for the next round will go bumper-to-bumper with the best Gran Turismo drivers from various countries during the Race Camp Week.

#### **Third Gear: The Race Camp Week (October 21-30, 2016)**

The top 6 will go bumper-to-bumper with the best Gran Turismo drivers from Thailand, Indonesia, North Africa, Mexico and Australia. Their strength, stamina, mental agility and driving skills will be tested at the Silverstone Racing Circuit in UK.

#### **Fourth Gear: Driver Development Program**

The emerging GT Academy Champion will undergo a rigorous training under the wing of professional coaches and racers at the Silverstone Racing Circuit in UK. Here, they will get a chance to prove they have what it takes to become a professional racing driver and acquire a slot in the Nissan team for the Dubai 24 Hour Race.

### **HOW TO JOIN?**

To join, Players must participate in the Live Events.

1. Various publicly accessible events will take place July 1 to August 31, 2016 ("the Entry Period"), allowing members of the public to participate in live gaming competitions (each a "Live Event") in order to qualify for the National Finals.
2. At each Live Event, Players will be invited to take part in a virtual race on Gran Turismo 7 ("the Game") using Nissan gaming pods. Players will run five (5) laps or five minutes (whichever comes first) on the Tokyo Expressway (the "Track") using a Nissan G1-R (the "Car"). Their fastest lap time will be recorded.
3. Players cannot change nor customize the Track and the Car, and all player settings will be set to default.
