LEGAL NOTICE

Every effort has been made to ensure that the content of this brochure is correct at the time of production (November 2016). The brochure has been compiled featuring production equipment vehicles exhibited at motor shows and, in accordance with the company’s policy of continuously improving its products, Nissan (South Africa) (Pty) Ltd may make changes to the style and appearance of the vehicles described and shown in this brochure at any time. Nissan Dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan Dealer to receive the most up-to-date information. Due to the limitations of the printing process used, all colour editions in the brochure may differ slightly from the actual colours of the painted and interior trim materials used. All rights reserved. Reproduction without written permission from Nissan is forbidden. Quoted fuel consumption and emission values have been established using the prescribed method of measurement (United Nations Economic Commission for Europe “ECE” Regulation R101 in the current version). Due to variations in driving behaviour / conditions and other non-technical factors, the fuel consumption and CO2 emissions of a vehicle may differ from the determined fuel efficiency of a vehicle.
Looking for a good time? The Nissan JUKE offers that in spades, and loads more. From the first glimpse of its audacious headlights, to the imposing grille and lower fender, and across its sleek upper body, sportscar styling, the Nissan JUKE makes a bold statement with every arrival: Thrill seeker on the move. You have a city trailblazer with more than enough attitude to own the urban jungle.

NISSAN JUKE TESTED TO THRILL

The Nissan QASHQAI is the agile urban crossover created to take on the city—and more. Packed with advanced, intuitive technology and state-of-the-art connected services, its dynamic ride and handling give you complete control. Take on the city and redefine the Nissan crossover: never have you seen on the world in style.

NISSAN QASHQAI THE ULTIMATE URBAN EXPERIENCE

The Nissan PATROL is a compelling package of muscle and sophistication, combining legendary power, superior comfort and authentic off-road capability. Imposing looks and bold styling make a big impression outside, unmatchable power and torque allow you to get into and out of tough terrain with ease, bringing a satisfying new perspective to all your pursuits. Experience it. Push boundaries and shift the limits of off-road adventure. No hesitation.

NISSAN PATROL WAGON NO BOUNDARIES

You need a vehicle that's as open to adventure as you are. The Nissan X-TRAIL has the capability to take you where you want to go with the comfort, technology and style to ensure a premium drive. Keep up with your true self.

NISSAN MICRA
WELCOME TO SIMPLICITY
Nissan MICRA is a compact specialist. Like a concierge who always knows the best restaurants, or a courier who always finds the best shortcuts, Nissan MICRA knows how to handle the twists & turns at your everyday trip's edge. At Nissan, we've always designed our cars around your needs. The Nissan MICRA is no exception.

NISSAN ALMERA
FOR THOSE WHO WANT TO LIVE LARGE
No longer will compact sedans stand in the shadow of their larger relatives. No longer will you have to compromise style for space, form for function, or pay a premium to transport your family around in the style, safety, and comfort they deserve how you have it all with the Nissan ALMERA.

FIND OUT MORE ABOUT THE ALMERA
Legendary isn’t found in a lap time. Or a 0-100 number. Or even on a price tag. It’s built on an obsession to detail. And a radical belief that a real supercar delivers performance in real-world conditions. For anyone. Anywhere. Anytime. So refined, yet so capable, in the right hands it can turn the automotive world on its ear. The new Nissan GT-R. Its history speaks of world-beating performance, but the pursuit will always be of pure exhilaration.

**LEGENDARY EXHILARATION**

- Power: 408 kW
- Torque: 632 Nm
- Top speed: 315 km/h

**THE FEELING OF INNOVATION**

- Power: 245 kW
- Torque: 363 Nm
- Top speed: 250 km/h

**FIND OUT MORE ABOUT THE 370Z**

Fire up that legendary V6, and experience the exhilaration of the Nissan 370Z. There’s a curvy road not far from town: it’s the perfect place to hear a dual exhaust bounce a 245kW of pure adrenaline off the edge of a cliff. To feel the massive braking power of 355mm front discs as you set up for a tight hairpin turn. The feedback through the wheel and seats as a precisely balanced chassis just grips and grips and grips. And a perfect down-shift thanks to the world’s only rev-matching manual transmission.

NISSAN LEGENDARY BAKKIES

The Nissan NP200 range gives more than only practicality and under-the-skin durability. The sleek exterior styling projects a no-nonsense attitude.

The Nissan NP200’s class-leading payload of 800kg, combined with its efficient 1.6l petrol and 1.5l dCi engines and lowest possible levels of overall running and repair costs, put this extraordinary bakkie way ahead of the pack.

NISSAN NP300 HARDBODY

A THOROUGHBRED WORKHORSE

The Nissan NP300 HARDBODY is an unmistakable legend of the South African light commercial vehicle market. A thoroughbred workhorse, it continues to offer exceptional return on investment, delivering usable space and utility with ease and building on an already enviable reputation for getting the job done, whatever is asked of it.

NISSAN PATROL PICKUP

TOUGH ENOUGH TO TAKE ON ANYTHING

Africa is not for the faint-hearted, making the Nissan PATROL PICKUP the perfect vehicle for the challenge. Designed to conquer the most unforgiving terrain, the Nissan PATROL PICKUP’s rugged construction and solid, innovative engineering means it takes the most daunting obstacles in its stride.

NISSAN NAVARA

FULLY CAPABLE

Whether it’s the depths of the country or the concrete jungle, the new Nissan NAVARA is always in its element. With its full length, fully boxed ladder frame, heavy-duty components, and array of off-road features backed by plenty of power and low-end torque, the new Nissan NAVARA takes you off and on road without missing a beat.

- ABOUT THE PATROL PICKUP
The exceptionally generous cargo area of the Nissan NV350 tells you one thing: this light commercial vehicle is built to carry your business to the next level.

With a large load capacity, the Nissan NV350 can carry cargo up to 3.25m long, with an interior width of 1.73m and a height of 1.645m. Embedded mounting nuts on the interior side panels provide convenient anchor points for hooks, shelves or other fittings, while flattened wheel arches mean more items can be loaded.

Along with improved profitability.

Let’s get down to business.

TRANSPORT CARGO IN STYLE!

Aiming to stand out in a crowded sector, the Nissan NV350 Impendulo offers a stylish, functional 15-seater minibus that’s sure to make a statement. Its sleek, modern design and plush, comfortable seating make it the perfect choice for larger groups, whether for business or leisure travel.

Designed to carry 15 passengers and a driver in comfort, the Nissan NV350 Impendulo offers comfortable passenger seats with an easy-fold aisle seat to make entry and exit effortless.

A fuel-injected 2.5 litre petrol engine with a manual transmission, ensure you deliver your customers to their destinations economically and reliably every time.

EVERY TRIP IS A PLEASURE

Admiring looks are always appreciated. And something you’ll get used to when driving the Nissan NV200 COMBI. Its bold, sleek styling and assertive looks announce that you’re on top of your game, whether it’s transporting passengers safely or taking the family on holiday.

Seating up to 7 people, the module seating in the Nissan NV200 COMBI creates a wealth of possibilities. Both the second and third row of seats are foldable, providing outstanding flexibility for either business or leisure trips.

With a large load capacity, the Nissan NV200 COMBI can carry cargo up to 2.34m long, with an interior width of 1.69m and a height of 1.7m. Embedded mounting nuts on the interior side panels provide convenient anchor points for hooks, shelves or other fittings, while flattened wheel arches mean more items can be loaded along with improved profitability.
